### Answer Key Corrections for Level M Achieving TABE Success ...

The correctional system in the United States plays a key role in society. It is important to understand what careers are available, their required duties, and the differences between the types of correctional systems. It is also imperative that we address the rights of those confined within the correctional system. Objectives

### Roles and Functions of the Correctional System

A function is increasing on an interval if  $f(x_1) < f(x_2)$  when  $x_1 < x_2$  for any  $x$ -values  $x_1$  and  $x_2$  from the interval. The graph of a function that is increasing on an interval rises from left to right on that interval. Similarly, a function is decreasing on an interval if  $f(x_1) > f(x_2)$  when  $x_1 < x_2$  for any  $x$ -values  $x_1$  and  $x_2$  from the interval.
