I love all of Anne Leigh's stories. They are sports related romance, and centered around friends and family members. Fight or Fall is Milo's story, and I am so glad she wrote it. I wanted to know more about Bee's misunderstood brother. Milo's story is a lot different than the other books Anne has written.

Fight or Fall is about a disgraced athlete who is trying to clean up his image and live his life. While there is Fighting right in the title, I liked that the book went a few other ways as well, we weren't inundated with fight scenes. Milo kicked ass and moved on. Milo is looking for redemption from his fans and most importantly, his sister.
