Utilities Communications Solutions

Our founder, Thomas Edison, must have seen something special in the Capital District when he selected Schenectady as the original headquarters of the General Electric Company. We think he was on to something—more than 120 years later, the area is a hub of cultural activity, from a great restaurant and music scene to year-round outdoor entertainment and activities.

Wind Energy Power Systems & Solutions | GE Renewable Energy

When it established its Crotonville campus in 1956, GE wanted to make itself the "best-managed company" in the world. Such hubris was par for the course (there was a lot of golf, too) in that Mad Men era, when leadership was about command and control. The GE advanced managers' course ran for 12 weeks—unthinkably long today—coaching old-school bosses on how to lead for such aims as ...
