How to Save Our Planet - YouTube

Hi! We're Jaimie + Meghan, best friends and hosts of How To Save The World Podcast. We started this project in August of 2017 with the hope of sharing our own sustainability journeys and learning from other likeminded advocates. We believe that change happens from the ground up, and our platform promotes that ideal by propagating the belief that we are all capable of making daily changes that make a big difference in the long run.

How To Save The World Podcast

Which essentially means investing in the supplements and fortified foods that will, in the words of Nobel laureate economist Vernon Smith, “get nutrients to the world’s undernourished. The benefits from doing so -- in terms of increased health, schooling, and productivity” says Smith, “are tremendous.”
