Editions of Messages: Building Interpersonal Communication ...

Interpersonal communication is the process by which people exchange information, feelings, and meaning through verbal and non-verbal messages: it is face-to-face communication. Interpersonal communication is not just about what is actually said - the language used - but how it is said and the non-verbal messages sent through tone of voice, facial expressions, gestures and body language.

Interpersonal Communication Skills | SkillsYouNeed

What is interpersonal communication skills? Interpersonal communication skill is how well an individual communicates. These skills are also known as social skills or people skills. Every individual uses it to interact with the other, be it an individual or a group. Level of interpersonal skills is measured through the effectiveness of meaning transferred through the message.
