Urban Community Analyst suggests measuring county urban area density for more accurate COVID-19 readings By April Bamberg. To prevent infectious diseases including COVID-19 from spreading, Wendell Cox, a senior fellow at the Center for Opportunity Urbanism and principal of Dermographia, says it is important to limit proximity to others, particularly those who are infected and showing symptoms.

### Urban Reform

Urban reform refers to a loosely knit set of municipal government and citizen group initiatives, from the late 1890s to the end of the First World War and from the late 1960s to the mid-1970s, aimed at improving city life. The first reforms showed a political emphasis that favoured vesting authority in the hands of supposedly apolitical experts.
