Online Library Schaum Outline Astronomy Book

Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic.

Schaum Outline Astronomy Book

This book really boils down the subject of astronomy into a few rules of thumb. It is good to have some rules of thumb nearby to aid your memory, but historically a Schaum's outline has been a challenging yet cheap little tome to get you through the rough spots. This book won't do that unless you are in a high school class.
