### Slaying the Gerrymandering Dragon -The Representation Project

The legend of Saint George and the Dragon tells of Saint George taming and slaying a dragon that demanded human sacrifices; the saint thereby rescues the princess chosen as the next offering. The narrative was first set in Cappadocia in the earliest sources of the 11th and 12th centuries, but transferred to Libya in the 13th-century Golden Legend. The narrative has pre-Christian origins, and is recorded in various saints' lives prior to its attribution to St. George specifically. It was particul
