The End Of Your Life

The End of Your Life Book Club was not only well written but thought provoking in many ways. Although none of us like to think about the inevitable death of a loved one (or our own), we know those times are going to come. The book was insightful in learning things to say and do, as well as what NOT to say and do for a person who is dying.

The End of Your Life Book Club: Schwalbe, Will ...

"The End of Your Life Book Club" details the final two years of Mary Ann Schwalbe, who died after battling metastatic pancreatic cancer. In the pantheon of cancers, pancreatic is one of the most deadly, especially once it spreads to other organs, the liver, in Mrs Schwalbe's case. She is a woman unaccustomed to sitting still.

Shortness of breath or breathing abnormalities are among the most common symptoms at the end of life. Some degree of breathlessness is common in most people as they near death. Luckily, there are a few simple and effective treatments that can bring quick relief, such as deep-breathing exercises, relaxation techniques, oxygen, and, if needed, medications.

12 Signs That Someone Is Near the End of Their Life

Here are seven choices you'll regret at the end of your life if you don't do something about them today. 1. Not truly living. Too often we let our doubt and fear hold us back from the amazing life we all can live. We have so many things we want to do in life yet never do.

"At the end of your life."--Proverbs 5:11. The wise man saw a young and foolish man straying into the house of the adulterous woman. The house seemed so completely different from what he knew it to be, that he desired to shed a light on it, that the young man might not sin in the dark, but might understand the nature of his actions.
