Part memoir, part scholarship, part manifesto for a vital approach to life, *The Ten Commandments* tackles some of the most painful human questions that stand at the heart of who we are as modern, thinking people-and offers answers that are sure to start a new discussion about the meaning of one of our most enduring, yet least understood, traditions.

## **The Ten Commandments: How Our Most Ancient Moral Text Can ...**

The power of the Ten Commandments, in other words, derives not from their impossibly high standards but from the insistence that real human beings, with all their faults and failings, can improve themselves and the world around them. The jarring truth is that the revelation of God in the First Commandment is, above all, a revelation about ourselves.

Answer: The Ten Commandments (also known as the Decalogue) are ten laws in the Bible that God gave to the nation of Israel shortly after the exodus from Egypt. The Ten Commandments are essentially a summary of the 613 commandments contained in the Old Testament Law. The first four commandments deal with our relationship with God.

The 10 Commandments were given to the Israel nation through Moses. The nation of Israel was now free from slavery in Egypt and was camped around Mount Sinai when thunder, lightning, a thick cloud, and the sound of trumpets signaled God's presence. Moses met with God and the 10 Commandments were written for the people to follow.
